The readers of this paper will be
pleased to learn that there is at least
one dreaded disease that science has
been able to cure in all its stages and
that is Catarrh. Hall's Catarrh Cure
is the only positive cure now known to
the medical fraternity. Catarrh being
a constitutional disease, requires a con-
stitutional treatment. Hall's Catarrh
Cure is taken internally acting directly
upon the blood and mucous surfaces of
the system, thereby destroying the
foundation of the disease, and giving
the patient strength by building up the
constitution and assisting nature to do
its work. The proprietors have so
much faith in its curative powers, that
they offer One Hundred Dollars for any
case that it fails to cure. Send for list
of testimonials. Address,

UNIONISM AND WAGES.
By JOHN MITCHELL.
At no time within the past thirty
years have the wage earnings of the
miners been as fair as they are now.
It is true that some are earning lower
wages than they have been, but the av-
erage wage is much higher. But when
I say that the wages are high, I don't
mean by any means that I am satisfied
or that I want you to be satisfied.
If you were to get an increase of 20
per cent in your wage earnings to-
morrow I would still be asking for
more.
I believe that a high-paid work-
ingman is better than a low-paid work-
ingman. A union workingman is bet-
ter off than a non-union man. Five
years ago you could not have met me
here. You would not have dared to
do it, for there would have been no
work for your leaders the next day.
Five years ago you were getting 27 per
cent less in wages than what you are
getting at the present time. In
addition to this you secured a decrease
in the price of powder and a practical
abolishment of the company's store.
Along with these and many other
improved conditions the mine workers
have secured a positive recognition of
the union through the consiliat-
ion board, which guaranteed a fair con-
sideration of the grievances of the mine-
workers.

FORCED TO STARVE.
B. F. Leach, of Concord, Ky., says:
for 20 years I suffered agonies with a
sore on my lip so painful, sometimes,
that I could not eat. After vainly try-
ing everything else, I cured it with
Buckley's Arnica Salve. It's
great for burns, cuts and wounds. At
Whitwell Drug Store, and S. L.
Ketner, Victoria. Only 25c.

FOR SALE.

condition. Will take two pages of a 7-
column paper, and guaranteed to do

A Bad Stomach
Lessens the usefulness and mars the hap-
piness of life.
It's a weak stomach, a stomach that can
not properly perform its functions.
Among its symptoms are distress after
eating, nausea between meals, heartburn,
belching, vomiting, flatulence and nervous
headache.
Hood's Sarsaparilla
Cures a bad stomach, indigestion and dys-
pepsia, and the cure is permanent.
Accept no substitute.

At Camp Jollification
Paragraphs caught on the fly.
Possibly more or less a lie.
Which to read you're asked to try.
Hoping they'll not make you die.
—Not from Tennyson.

Hop Kelly is wearing a rapturous
goatee, but it is tough on Hop.

Come and have your fortune told.
Can tell your fortune most any old
way for some chickens. One gentle-
man last week was so delighted with
his experience in having his fortune
told he sent us eight chickens and saved
us from starvation. Good boy!
Come again, son, and we will fix you
up another fortune—provided you bring
the chickens.

Miss Lucile Wright, of Jasper, is
one of the sweet singers of the camp,
and with Messrs Ike and Carl Watson,
render some very touching (?) songs.
They always sing when the cooking
is going on so as to screen from critical
observation the remarks of the
cooks when they get smoke in their
eyes or burn their fingers.

Around the camp-fire's glow,
We like to sit and blow
Our larynxes in vocal sound.
Should you hear our voices calling
Do not think it cats a-wauling.
But straight-way come around.
N. B. It will do the doctor good.

Capt. Wilson is the salt of the earth,
turning over his fine house to us wan-
ders when the unpropitious elements
get in their bluff on us. What is
home without a mother? What is Se-
quachee without Papa Wilson? 'Rah
for Wilson. Hip-hip-hooray!

It's fun to watch the cooks "june"
around, but Oh Lordy! when our
turn comes! Oh me, oh my!

Tom Deathridge has been elected
Perpetual Dishwasher of the Jollifica-
tion Camp Association, but he has
been warned not to put too much soap
in the water, as soap costs money, and
the flavor imparted to the grub is not
essential to our happiness.

Miss Violet Crozier, while riding
Maud the other day, described the re-
gulation parabolic curve in the air, ow-
ing to "Maud" with wickedness pre-
meditated, causing the coronet of her
left front perambulator to crinkle over
a basaltic remnant. In plain English
—"Maud" stumbled and Violet tumbled.
"Cricket" is only an alias for the animal.

We are lucky! We have found a
place, "Dave's place", we call it,
where we can all get rich quick. One
of our young ladies bought a lamp
full of kerosene the other day in that
commercial emporium and was hand-
ed back 26 cents after she had tendered
a quarter in payment. We would
advise the people of Sequachee to all
trade there.

OF COURSE YOU'D LIKE TO KNOW WHO.

Bostain called on Mrs. Will Northcut

Ollie Blankenship was in Chattanooga
shopping one day last week.
A certain man stole his children's

his sister, Mrs. Will Northcut.
Miss Mattie McGovern called on Mrs.
Will Northcut one day last week.

a sore foot the other night and the
rats ate it off. What do you think of
that?
With best wishes to the News and
its many readers I will ring off.

Ed McCrary, of Sulphur Spring, was
in the city Monday.
Baker Baker has gone to Mineral
Springs to recuperate his health.
Miss Alice Parker, after spending a
few days in the city, returned home
Tuesday.
We wish to correct the statement
made last week that Thomas Arledge
was charged with stealing a hog of
Lige Layne and that he was tried by
a Justice of the Peace, found guilty
and sent to jail in default of bond.
The facts are that he was only charged
with shooting the hog in question
which got into his lot, and he was not
tried by a Justice but waived examina-
tion and gave bond for his appear-
ance at court. We gave the item as we
got it and gladly correct it as there
was no intention on our part to misrep-
resent Mr. Arledge, nor did our infor-
mant wish to do so.

LAND'S CHAPEL.
Special to the News.
We are having rain and rest in our
community. It is very cool and pleas-
ant on the mountain. Health is very
good at this writing and everything
seems to be moving on all right with
us.
Prayer meeting and singing is still
continued with us and it is a very
nice thing to carry on if it is carried
on in the name of the Lord. There
were 35 present at singing at Byron
Land's Chapel Sunday night. Paul tells
us to sing with the spirit and under-
standing and that is what we try to
do out here. There is but very little
pride with the mountain people. They
do not worship organs and fine music.
When they assemble themselves to-
gether they assemble to worship the Lord
and try to do something that will be
pleasing to His holy Name. "Let noth-
ing pass for every hand must find some
work to do. Lose not a chance to
waken love; be firm and just and true;
so shall the light that cannot fall beam
on these from on high, and angels voice
say to thee, 'These things shall
never die!'"
J. C. Boyd is teaching school at
Land's Chapel this year. He is a
good teacher.
All who wish to correspond should
send to the Sequachee Valley News as
you will find it published about as you
have written it. When we read the
news from any place we want to read
all of it. The Sequachee paper is a
good paper to read if you want to read
lots of news. I am always glad to
get the News to see what is going on
in the different communities.

MISS LAURA KNOX.
Mr. Editor: Will you please give
me space in your paper for a few lines
in regard to the bereaved family of
the deceased girl, Miss Laura Knox,
who has departed this life and gone to
her home in Heaven to strike a glad
hand with her father and to sing with
him on high, while we are left behind
to mourn her absence, but, thank God,
we can live right during those few
days we have to spend here, and when
we can no longer stay we can say, "I
am ready to meet Laura, whom I loved
so dear and to sing in glad tidings
of joy."
"We loved her, yes, we loved her,
But angels loved her more,
And God hath taken her to that
Bright and shining shore,
In that happy land we'll meet her
With those loved ones went before,
And again with joy we'll greet her,
Where parting is no more."
"Dear Father, bless the bereaved
family", is my prayer. A Friend.

The Trials of Women.
The homes of this country are filled
with women whose trials utterly de-
stroy the joys of existence. They are
the victims of female disorders and they
do not get relief, and they are forced to
drag through the weary years without
the hope of better days. All such should
be advised to use a few bottles of
ST. ANDREW'S
WINE OF LIFE ROOT.
It plants hope in hopeless hearts, the
seeds of joy in joyless minds, whose
fruitful is the blooms of health on the
cheek of the perfect woman, to whom
the ills of her former existence are now
the real zest of her pleasurable life.
Thousands of women all over this land
have testified to the truthfulness of this
assertion.

TONICS FOR WOMEN.
Delicate women require a tonic. An
iron tonic is good, but St. Andrew's
Wine of Life Root is better. While
toning up the system, purifying the
blood and restoring exhausted nerves,
it regulates any derangements, and
strengthens woman in the most sensi-
tive part of her organism.
Price \$1.00 per bottle.
